

## Students with Prescription Medications at School Assist Tool

**Note:** Count the number of students in each category for which prescription medications are kept at school at any time during the school year. If a student has 3 different medications at different times or 2 medications all the time and another medication for a brief time, count each medication under the appropriate category.

Prescription Medication	# Students	Prescription Medication	# Students
ADD/ADHD Meds		Epinephrine	
Allergy Meds		ENT Meds	
Asthma Meds		Glucagon	
Analgesics		Insulin	
Antibiotics		Migraine Meds	
Anticonvulsants		Oral Diabetes Meds	
Antidepressants		Oral Steroids (non-inhaled)	
Cardiovascular Meds		Psychotropics	
Gastrointestinal Meds		Other (specify)
